恋花温泉
.....
I'M AKIYAMA
NICE TO MEET YOU,
Ah_ Rurika-chan
HUH?

As always
When guys are around, even Naoko gets un-sociable
Don't worry * Onii-chan
Rurika chan is always like that
HUH?
HAA...
* Big Brother
BUT ITS BEEN SO BUSY THAT IT REALLY HELPS THAT SHE'S HERE
AFTER BEING ADVERTISED IN THE MAGAZINES THE GUEST HAVE INCREASED
* Translator note: Akiyama says huh a lot
Even if Rurika helps I don't think it'll change
HUH?
WHY IS THAT?

Since Moeka's going to be taking exams for University
She won't be able to do much work for University
OH!
I SEE... I HEARD SHE'S GOING TO APPLY FOR YOBIKOU*
Yep

* Prep School for people who have failed to enter Uni/college

* I think she means that you feel conscious about your academic background

HAH?!
Nope
so I want to support her
But Moeka's clever
YOU HAVE A COMPLEX?!
Living with an academic background complex makes you seem naive...! *
This place's last hope is us sisters
I don't want her to become like me

I asked Rurika to help me but
She has that personality
I'm a bit worried about whether she can do the job

So I need you, Akiyama, to help her get used to everything
EH?!

WELCOME TO KOIBANA ONSEN!
ONII-CHAN LOOK!
KOIBANA ONSEN IS DONE
and Nanoka is gone too
HUH?
He was just here...
That means
They both left me here alone
AKIYAMA
come this way
HA~
THIS PART OF THE BEACH SEEMS TO BE VERY ROCKY.

When I was working at Ying's hotel...
Whenever I felt upset I would often come here.
HUH?
WHAT MADE YOU FEEL UPSET?
this is the place where
my parents had their first kiss
THAT TIME SHE KNEW THEY WERE ALREADY SEPARATED FROM YUAN PARENTS OR THAT THE SISTERS DID NOT LIVE TOGETHER.
WELL...
I WONDER WHY?
and since the hotel had a lot of rules, we often made mistakes
it was also the first time where me and my sisters lived separately
HUH!?
But once I come here I feel much better!

I will never forget that expression of just how fortunate we were in their faces
this place has also appeared in many stories...
that they used to tell us
When they passed away
and we inherited the hotel
I wished to see those expressions again....
The reason we started koibana onsen is because of this opportunity

I think I have that face on me...
Today ...
THUMP!!!
What do you think?

If you are like this...
Akiyama will be gone for good!
your worst love rival is none other than, Nonoka.
Nonoka she....
She has never shown a sad face toward customers no matter what the situation

Not only that!
The tougher the customer is to handle The harder she will work!
Not asking for anything in return,
only thinking of what the customer needs.
That's the kind of person Nanaka is.
I really... I really..
OH!
I was lost in my thoughts again... ahah..
I..

If you have something that you want,
then you should start by making a move
